Re: *FOIA Request*
Fire at Waste to Energy Facility located at
6990 NW 97th Ave., Doral, FL 33178

To whom it may concern:

We respectfully request, pursuant to the Freedom of Information Act (5 U.S.C. § 552), a copy of your entire file, including investigative records and any submitted reports or inquiries, regarding a fire that affected a waste-to-energy plant in the city of Doral. The EPA was involved in several one-hour samplings and issued the attached Notice of Federal Interest on the matter pertaining to the "release or threatened release of hazardous substances, pollutants or contaminants" on February 13, 2023. The on-scene coordinator was Jordan Garrard. The address and other details concerning the facility and the date the fire is reported to have commenced are provided below.

Owner Name:	Miami-Dade County
Operator Name:	Covanta Dade Renewable, LLC
DOI:	February 12, 2023
Legal Address:	6990 NW 97 th Ave., Doral, FL 33178

In addition, we request copies of your records concerning any other fire incidents, or fire or safety inspections or reports, concerning the above facility, from January 1, 2019 through April 30, 2023.

(Continued on next page)

Please e-mail or fax the requested records to clandgraf@cspalaw.com or (305) 377-3001. I will follow up on this request shortly to ensure you received it. We appreciate your assistance in this matter.

Sincerely,

/s/ Carina Landgraf
